A GOODLY CROWD WAS THERE!!!

At our last meeting, of course, on April 13th. Our very special thanks to Reverend Albert H. Palmer of St. Simon's Episcopal Church for his hospitality and cooperation in providing us with the Church meeting room and also the use of the kitchen facilities so that all could partake of refreshments during the social hour. We also are indebted to Mr. William Agee of the firm of Merrill, Lynch, Pierce, Fenner and Smith, for his thorough, timely, informative and interesting discussion on securities and investments. We are distressed to learn of

the several harrowing experiences of our neighbors. Would you know how to contact our Police Precinct? Do you know the number of our Police Precinct? WOULD you be interested enough to report a suspicious looking person in your area? If anything unusual happened to you or in your street, — would you inform our Secretary John M. O'Shea? Nottingham can and wants to help — but we need you and your cooperation — Nottingham area is better because your Association keeps it better. Let us not get like most of our citizens. They just grumble and complain. Often like to casually call it

Police inefficiency or lack of foot patrolmen or this neighborhood is not what it used to be; or perhaps you have heard some other lame and pet excuse used to preclude the need for positive action. The cooperation your Association has received from our local police precinct has been outstanding. Help us by reporting suspicious looking persons, disturbances, burglaries, unusual occurrences to our Police Precinct. Which by the way is NUMBER 63 telephone ESplanade 7-6611. Mark this telephone number and precinct number prominently on your telephone instrument. If you should ever find the need to call the police precinct, it will be helpful to have the telephone number handy. ESplanade 7-6611. We can help you in all civic problems, if we know the problem. Keep us advised.

BIG STORY???

Every reporter dreams of the day that he will win his BIG STORY AWARD. Won't you become a reporter for Nottingham News. What has happened in your family or neighborhood. We are interested and would appreciate receiving newsy notes, personals, engagements, births, marriages, graduations, interesting trips made, etc. You know what you would like to read, so send it in and let us share it for you with your neighbors. Remember our circulation is 1200. Send your story to Mr. John M. O'Shea, Secy.-Treas., 2604 Avenue M, Brooklyn, N. Y.

DUES ARE DUE

The Treasurer is patiently yet anxiously waiting for that check of yours for \$5.00 payable to the Association. Those of you who have not as yet joined our association may use the application form in this bulletin. Remember a UNITED COMMUNITY IS A STRONG ONE. DISPLAY YOUR NOTTINGHAM EMBLEM ON YOUR HOUSE.

PERSONALITY PROFILE

Do you like "WHODUNITS"? Are you referred to as the ELLERY QUEEN or PERRY MASON of your house? The spotlight for our May issue goes to one of our most prominent citizens of Nottingham. If he ever made a mistake it was before the age of 2 years, because at that ripe age he moved to Nottingham. Pretty discerning youngster? He is a graduate of P.S. 197 and James Madison High School. He slipped away from us for a while but only long enough to complete college and then serve three (3) years in the United States Army. He is a recipient of the Scout Leaders Award. He organized Cub Pack 501 and 502 and he is Cub Scout Leader of Pack 500. Like our President, his hobby is painting in oils. He enriched his life and our community by bringing to Nottingham his charming wife who was born and raised in the "Town of Brotherly Love" Philadelphia. They met in college. She served as a Girl Scout Leader of Troop 2-276. She is currently a member of the Executive Board and is Financial Secretary of the P.T.A. of P.S. 193, also Chairman of the Hospitality Committee of 193. Her Hobby is Ceramics. You have an idea? We have a great Husband and Wife Team—We give you Dr. Kenneth N. Queen (no relation to Ellery) President of Nottingham Association and his beloved wife, Dr. Morissa G. Queen. They met while at Temple University Philadelphia where they received their degree of Doctor of Podiatry (Pod.D.) They have practiced together since graduation at 1789 Ocean Avenue (Avenue M). This practice was founded by Ken's dad, Dr. A.

J. Queen, in the days of the old open Ocean Avenue trolley cars. Our famous pair have authored several professional papers on various treatment techniques some of which were original works of research and have been published by the New York State and Pennsylvania "Journals of Podiatry" as well as the National American Podiatry Association "Journal." Our friendly neighbors are licensed to practice before the New York State Compensation Board. They have both lectured frequently on children's Foot Problems and both completed post graduate courses at Manhattan General Hospital. Let's not forget their two lovely daughters, Miss Laura Roberta, student at Andries Huddes Junior High School and sister, Miss Marsha Susan, a student at P.S. 193. Reasie, as Dr. Morissa is affectionately called was formerly a staff member of Philadelphia General Hospital and Mt. Sinai Diabetes Services. Her hobby is ceramics when she is free from her duties as Doctor, Mother, Wife, Member of the Board of Trustees of the Hebrew School at the East Midwood Jewish Center and Member of B'Nai B'rith Midwood Chapter. She is also a member of the professional women's sorority Pi Epsilon Chi. Ken has served as chairman of the Ethics Committee of the Kings County Podiatry Society. He is a member of the Phi Alpha Pi fraternity and B'Nai B'rith Midwood Lodge. We have been fortunate to have Dr. Ken Queen serve as President of our Nottingham Association since 1957 and are proud to report that during his administration many improvements have been completed in our area, among which are: the repaving of Avenue M from Ocean Avenue to Nostrand Avenue; new and additional street lights on East 21st Street, East 24th Street, East 26th Street. Street between Avenues M and N. A harder working President, Nottingham has never had. A more considerate, helpful, friendly neighbor no one could hope for. We are happy Ken — that you and your good parents chose Nottingham and you were able to win Reasie's heart so that we could all have the privilege and pleasure to know you both. Thanks for helping your neighbors so ably during your years of service to Nottingham Park — Thanks for making it a friendlier, nicer place to live.
